Call to Action

Calling all Institutions to partner; calling millennials and future generations to be Multiplying Missionary Disciples

The hard truth is that around the world Catholic pews are becoming increasingly older and emptier. Although perhaps not visible in every Catholic congregation, many of today's youth and young adults are opting out of church and are far from faith.

The life-giving witness of the Church is at serious risk if Catholic leadership and laity keep doing the same things in the same ways with the same poor results. In our fast-changing world, we need a radical response of the entire Church:

- To come on our knees
- To dream "bigger dreams" of a Missionary Church
- To give ourselves totally with courage and boldness to pass faith to the next generation
- To collaborate with all Christians to proclaim the Gospel message together
- To move from a maintenance mentality to a missionary mentality
- To empower millions of Multiyping Missionary Disciples One Person at a Time

From the discussions of the Rome Global Forum emerged the following

13 PRINCIPLES

by which we can act and form others to become Multiplying Missionary Disciples

1. Listen to God and to others
2. Love and accompany others
3. Witness to others your faith in Christ
4. Create opportunities for encounter
5. Pray for encounter with Jesus Christ
6. Proclaim the Gospel of Jesus Christ
7. Receive and move in the power of the Holy Spirit
8. Foster community and belonging
9. Catechize and dismantle prejudice
10. Study the Word of God
11. Cultivate virtue
12. Facilitate works of mercy
13. Encourage participation in the sacraments
